Email (important): Website:

Phone: Fax:

Applicants for regular membership must (a) hold the Ph.D. or have an equivalent degree or experience, and (b) be sponsored by a member of the Society. If you do not have a sponsor, submit a vita with the application. Applications for regular membership are subject to approval of the Executive Committee of the Society. The regular membership fee is \$40/year.

Graduate students in any field may be admitted to student membership upon sponsorship by a member of the Society and may continue so long as he or she is a student in good standing in any graduate school. The student membership fee is \$20 for 5 years.

Please give the university from which your Ph.D. was/will be received, and the year it was/will be awarded. If you do not hold the Ph.D., attach a separate sheet or curriculum vitae stating your equivalent experience.

University:

Year of Ph.D. or Equivalent:
